

21st Century Community Learning Centers Summer Symposium | Plenary Session

A large, stylized number "50" is rendered in a dark, textured font, appearing to be made of a material like stone or metal. To its right is a detailed, grayscale image of the moon's surface, showing craters and lunar maria. The background is a dark, starry space.

How Do We Build the Next STEM Generation?

Voices from Today's STEM Professionals

"The 21st Century Community Learning Center's 2019 Summer Symposium has been funded in part with Federal funds from the U.S. Department of Education. Any products mentioned are only examples and do not constitute endorsement by the U.S. Government."
